

Highlights of Training Programme:

- Handling, feeding, housing and management of laboratory animals.
- Blood collection and anaesthetic procedures of laboratory animals.
- Training on sexing of laboratory animals and record keeping.
- Diseases of laboratory animals.
- Ethical considerations in laboratory animal experimentations.
- Occupational hazards in laboratory animal houses.

Dates: 12-07-2022 to 14-07-2022.

Training time: 9:00 AM to 4:00 PM.

Who can apply

- Academicians / researchers in Public or Private Institutions.
- Biological science students (M.V.Sc./M.S./M.Sc.), B.Pharm, B.V.Sc & AH.

How to apply

- Kindly send the application form to the address nutrimty@kvasu.ac.in before 09-07-2022.
- Link for application
<https://forms.gle/3Jc1jGqkVBn24kyn8>
- Twenty candidates will be selected on first come first serve basis.
- Selected participants will be intimated by email.

ABOUT THE TRAINING

Laboratory animal research has a vital role in many scientific and medical advances of the past century and continues to aid our understanding of various diseases. A quality training on the various aspects of handling, feeding, management and other noninvasive procedures in laboratory animals is imperative for a successful conduct of animal experimentation. The present training aims to provide a hands on experience on various aspects of laboratory animal science for their humane use for quality research.

Dates to remember

Date of Inviting application: 25-06-2022
Last date of application: 09-07-2022
Intimation of selection: 10-07-2022

Fees structure

Every applicant should remit an amount of ₹ 3000/- (Rupees three thousand only) as registration fees at the registration desk

**KERALA VETERINARY AND ANIMAL SCIENCES
UNIVERSITY
COLLEGE OF VETERINARY AND ANIMAL SCIENCES
MANNUTHY**

**TRAINING ON MANAGEMENT AND
HANDLING OF LABORATORY ANIMALS**

JULY 12-14, 2022

VENUE:

**SMALL ANIMAL BREEDING STATION
DEPARTMENT OF ANIMAL NUTRITION
CVAS, MANNUTHY**
